PRICE LIST OF TREE & SHRUB SEEDS

THE FOLLOWING CONDITIONS GOVERN ALL
TRANSACTIONS:

THE PUBLICATION OF THIS LIST CANCELS
ALL PREVIOUS QUOTATIONS.

TERMS: Cash. Thirty days net or 2% discount
for cash within ten days from date of invoice to
domestic book customers. We expect remittance
with order or other arrangements, satisfactory to
us, from our foreign customers. Prices are quoted
and remittances are expected in U. S. money.

ALL SHIPMENTS travel at customer's risk.
After having taken receipt of transportation com-
panies we are not responsible for delays, losses or
injury to shipment while in transit. Customer's
redress is with transportation companies only.

PARCEL POSTAGE. Domestic rates are gov-
erned by zone tariff. Parcel postage into foreign
countries is 12c per pound or fraction of pound,
In addition to this a number of countries require
payment of a surtax. Remittances should cover
sufficient amounts for postage.

NON-WARRANTY. We use the greatest care
to have all our seeds, bulbs, plants, etc., pure and
reliable but they are sold without warranty and
without any responsibility, express or implied, in
respect to the crop. All sales are made under these
terms. We are under no circumstances to be held
responsible beyond the invoiced value of our goods
and we cannot, under any circumstance, consider
any claim after the goods have been planted, un-
less they prove not true to name. All claims must
be made on receipt of goods.

This list is published before the actual extent
of some crops of tree and shrub seeds, offered in
it, is known and our acceptance of orders is not a
warranty for delivery but it is subject to crop acci-
dents and limitations of crops. Failing to receive
the full amounts ordered from our collectors and
growers we reserve the right to reduce proportion-
ately all orders which have been booked.

Conifers

Half ounce, quarter pound rate at ounce and pound rates, respectively. No seeds invoiced for less than 15c. Quotations on large lots given by letter.

Nomenclature conforms to the 1917 Official Code of Standardized Plant Names, adopted and published by the American Joint Committee on Horticultural Nomenclature, as first printed in L. H. Bailey's "Standard Cyclopedia of American Horticulture," Vol. VI, 1917.
